

"Curtis Summerfest was truly an eye opening experience that permanently changed my perception of music. I had the privilege to work with talented musicians and faculty members that taught me many things that I will use for the rest of my life. From singing choir in the morning to working on chamber music with my group to performing in concerts, I made many lasting memories that I will look back on with a smile. I would highly recommend this camp to any devoted musician and am thankful I had the opportunity to attend the camp."
