MEA-MJN Scholarship Donation Form

The Music Educators Association of New Jersey is a non-profit 501(c) (3) organization. It is comprised of over 250 piano teachers across the state. Since its inception in 1927, the organization has focused its mission on the music development of its students — through auditions, recitals, competitions, master classes, composition festivals, and theory. MEA provides additional music opportunities by awarding scholarships to MEA students who attend summer music camps and to music majors at the college level. MEA also provides the Allegro Scholarship, which covers fees for participation in MEA events. On a community level, the organization supports music education by contributing to the scholarship programs of New Jersey colleges. For more information about MEA scholarships, please visit **For Students/Scholarships.**

The **Mary Jean Nelson Scholarship Fund,** named for one of MEA's former outstanding teachers, provides financial assistance to music students for:

- Colleges, Universities, or Conservatories (music majors)
- Music Camps or Summer Festivals
- Application/Audition fees for MEA Events (Allegro Scholarship)

Please consider making a tax-deductible contribution to this worthwhile fund by mailing in this form. To contribute online thru PayPal or a credit card, go to the bottom of the **Homepage** (or any other page) and click the yellow DONATE button.
